The graph shows a piecewise linear function on a grid. The x-axis is labeled from 1 to 31, and the y-axis is labeled from 1 to 60. The function is defined by several line segments connecting points at integer coordinates. The segments are labeled with handwritten numbers: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31. The function starts at (1, 1) and ends at (31, 31). The graph shows a series of peaks and valleys, with the highest peak reaching y=31 at x=25. The function is symmetric about the line y=x.
